

Faith In Action

Vol. I - Issue III

JAMBO RAFIKI! (Hello Friends)! **March is here** and Spring is just around the corner! Time once more for Shamrocks, longer days, the melodious song of the red winged blackbird, and the blooming of daffodils. It is also the beginning of Lent...a time of reflection and prayer in preparation for Easter Sunday. May your Lenton journey be a time of spiritual growth.

In The News.....

This month we would like to spotlight our Projects Co-Director for MBG, **Sabrina Mohammed**. Sabrina has a heart as big as the world and her love to help her fellow Tanzanians runs wide and deep. She works deeply with our Emayani Group. This group of women are in the beginnings stages of learning basket making along with sharing a community bank/funding account. They all work doing small tasks such as collecting firewood, cutting grass, maintaining crops for local farmers, or doing laundry or sewing for neighbors. Adding the skill of basket making will enhance their lives and Sabrina is with them every step of the way. Sabrina also runs and manages her mom & dad's local business in Arusha by keeping their books clear for government purposes. She has a degree in tax accountancy and administration from the University of Kenya/Nairobi.

Pamela Wendtland's FB page will be the platform for the "live" presentations. We are so excited to begin this new adventure and each month you may find us in different locations with different guests! Come go live with us..relax, enjoy your favorite cup of coffee, and get ready to smile and be inspired!

We are ready for our **coffee sales** to begin. A date and time will be posted during the “Live” event taking place on March 8th at 9:00 a.m. This special Tanzanian coffee that we brought back with us is **so aromatic and delicious** – it is robust yet so smooth...it will not disappoint your palette. Partnerships

MBG is all about “**Loving and Serving**”. That service comes from each one of us that represents this beautiful organization. If your company would like to partner with our organization, please reach out to us so we can add your company name and link on our website! Serving you and your organization means so much to us and in turn we can lift the ones in need together. Please email missionbarista@gmail.com for more information on this endeavor.

Focus for March

We continue our projects with **Widow Sponsorships, Healthcare outreach**, and the **IMPACT Center progress**. As we work towards reaching more in the mud hut villages we continue to seek your support. We would cherish anyone, church groups, families, etc. that would consider doing a specific fundraising campaign to help us bring awareness of and support for our goals. One example you could do is a **loose coin collection**. Did you know that tiny M&M tubes hold \$25 worth of quarters? We would love to share our story with you so a presentation could be on your list of people to invite to your next gathering. We can provide materials if you would need that information. Please reach out to missionbarista@gmail.com to request more ideas/details.

Prayer Requests

We are an organization that prays! If you need a prayer partner or request a prayer for a specific need – please let us know. It is our goal to **love and serve** each person that crosses our pathway. You can let us know by emailing: missionbarista@gmail.com.
