

Faith In Action

Vol. I - Issue VIII

JAMBO RAFIKI! (Hello Friends)! Can you believe it is already August?... referred to as the “dog days” of summer, it’s the hottest time of the year. A time for getting those last-minute vacations in before school starts, watching meteor showers, chasing fireflies, and enjoying ice cream cones and cold lemonade to beat the heat. We all enjoy so **many** blessings, (especially air conditioning during these days). We never truly know how precious these blessings are until we have to go without them. Let us strive to help those that go without every day! We are so grateful for your prayers and support as we continue to serve the least and the lost of God’s people.

Spotlight for the month...

MBG Team member Spotlight: **Dr. Keneth Masao.** Dr. Ken has been a part of MBG since 2024. He joined us as we began to see some of the health needs of our widows and community members who had no access to medical care. Dr. Ken comes with his undergraduate degree in health science and hopes to continue his graduate studies in the near future. He is currently working at a local urgent care clinic where triage is gifted to the local community. Referrals are placed from this clinic and the patients move on to either the public or private hospital once seen. Ken recently was married and enjoys farming and helping the community anyway he can. We are grateful for Dr. Ken’s assistance in our work throughout the Arusha region.

In the News...

Pamela Wendtland’s trip to Tanzania Africa! As I returned from my 36th trip to Tanzania Africa-I was reminded of the depth of need for our brothers & sisters in this beautiful yet poor country. I wandered 1,000’s of miles missioning each day to bring **God’s love and hope to their lives.** I worked in a small remote village where over 161 lepers live without a sign of hope. God placed me there. I hugged and prayed over as many as I could. We will do our best to provide monthly nutrition, love, and the promise that they are not forgotten. Our mission took us to the forgotten widows and their children-bringing much needed supplies, and to the Green Hope School where they had run out of school supplies and food. Your love, care, and generosity will spread the love that the Lord has placed within us to serve!

I have no words to tell you but **THANK YOU!** **YOU** have made a true **IMPACT!**

Coming Soon!

We are thrilled to let you know that the production of our **documentary** on the **leper community** is now complete! We know that most have many questions on this work because it is something we have only read about in the bible. It is real and a story of **hope** lies behind our work with this film. We will be having a **fun community gathering** where the video will be shown. **(details to come)**.

We hope you will join us or invite us to share it with your church, school, social group, or anywhere you would like to learn about a great group of people in Tanzania.

Upcoming Events...

You can meet our team the **3rd Saturday of each month** at the **Brookfield Farmers Market** and enjoy conversation and a free treat! Location: **Brookfield Central High School**. 16900 W. Gebhardt Rd. Brookfield, WI. Time: **7:30 a.m. to 12:00 noon**. We hope to see you there!!

MBG will be having an **information booth** at the upcoming **Community Projects for Seniors (501c3)** 5K run/walk on **Saturday, Sept. 27th at 10:30 a.m.** This event will be held at **Lake Vista Park, 4159 E. Lake Pkwy. Oak Creek, WI**. This organization helps fight loneliness and social isolation among low-income senior citizens throughout 50 cities in S.E. Wisconsin through a variety of programs. **Loneliness has no borders.** We encourage you to register for this event and visit us at our booth. We'd love to see you!

Keep on loving
one another as brothers and sisters.
Do not forget to show hospitality to strangers,
for by so doing some people have shown
hospitality to angels without knowing it.
Hebrews 13:1-2

Scripture verse for August:

Isaiah 41:10

Baraka na Amani,
(Blessings and Peace)

Pam
