

Faith In Action

Vol. I - Issue X

JAMBO RAFIKI! (Hello Friends) October is here, and it truly is a month to look at the colors that are beautifully changing right in front of us. The blessings of a new month exist and even though we are headed into a darker time of the year – we are reminded of the warmth and brightness that surrounds us through friends, family, and strangers. Let's continue to shine brightly with each day that passes to everyone we meet.

Spotlight for the month...

Lisa Swanson has been a remarkable gift to **MBG**. She has been a part of our organization since its inception and has always gone the distance to help in any way possible. As we serve the widows in Tanzania – we as an organization get to walk alongside Lisa as she is also a widow. We have learned about her struggles of being alone and navigating life without your spouse. She shares insights that only she can as she lives the same life as the ones we serve overseas. We love Lisa's energy and spirit of love and kindness. When not working diligently on our meeting administration she is out with friends sharing coffee and conversation, singing or ushering at church, taking care of her nephew "doggo", and enjoying her nieces and their families.

MBG Outreach...

Our newest outreach is our local mission. We seek to help those in need in whatever way we are able. **You** are the best resource for that! Please let us know if you or someone you may know needs a word of encouragement, has suffered with loss, has run into difficulties and would like to have a shoulder to lean on, or anything else that we might help with. Let us know by emailing missionbarista@gmail.com and we will do our best to assist the need.

Upcoming Events...

We have an opportunity for 5 people to join our founder, Pam, in a **“52-week Journey through God’s Word”**. She is looking to form a small group that meets in person at her home in Menomonee Falls, WI to walk through a gentle approach of living and knowing the word. This is a weekly journey and a discipline that requires getting together. If you or anyone you know would like to join her and live locally – please let us know. She will provide you with the materials you need to begin this journey! Email: missionbarista@gmail.com.

“When I see a fall sunset, I can’t help but feel grateful for the beauty of this world. It’s a reminder that there’s so much to appreciate in life, even when things are tough. Seeing the amazing colors of a fall sunset always brings a smile to my face”. May you enjoy all the blessings that Autumn brings!

Scripture verse for October:

1 Peter 4:10-11

Baraka na Amani,
(Blessings and Peace)
